

PRESIDENT OF POWER COMPANY PASSES AWAY

FRANK B. CAMPBELL DIES SUNDAY NIGHT AT DENVER, COLORADO.

Telegraphic information received this city Sunday night announced the death of Frank B. Campbell, president of the Nevada-California Power company, who died early that evening in Denver after an illness of about two weeks. Mr. Campbell for two or three weeks past had been making preparations to come to Nevada to give his active attention to the many of which he was recently elected president. On the eve of his departure he was stricken with pneumonia. The Goldfield office had been advised daily regarding Mr. Campbell's condition and telegrams of late were of the most encouraging, and when the news of the demise came, it proved a shock to the friends and business associates of the esteemed gentleman.

Yesterday when Manager J. S. Simpson, of the local office, was informed of the death, he immediately draped the front of the office with mourning of respect for the deceased. In Colorado, where Mr. Campbell resided for many years, he was one of the best known business men in that state and was a gentleman of such noble character that he was beloved and honored by all who knew him.

He took a keen interest in southern Nevada and was actively identified with the development of this section. It was greatly through his solicitations that millions of dollars were invested in this state in a manner that the investors have reaped handsomely by following his advice. It was in 1904 that Mr. Campbell came to this state, accompanied by Mr. C. M. Hobbs, Loren Curtis and Charles Potter and after making a thorough examination of the field it was decided to take over the old Nevada Power Mining and Milling company which resulted in the Nevada-California Power company being formed and the waters of Bishop creek used to generate power at now supplies the camps of Goldfield, Tonopah, Rhyolite, Silver Lake, Manhattan and various other mining districts.

For three years following the forming of the company, Mr. Campbell officiated as president and had associated with him C. M. Hobbs, a general manager. On February 1st of this year he again took up his duties of the president's office with the intention to come to this state and personally look after the affairs of his office.

Mr. Campbell is survived by his wife and three daughters. Two of the daughters, who are married, Mrs. A. B. West and Mrs. Irving T. Snyder, reside in Denver, as does the widow, while an unmarried daughter, Miss Helen W. Campbell, is attending school at Mt. Vernon seminary, Washington, D. C.

Mr. McGarry will leave this morning for Utah and join his sister. The deceased had a number of friends in Tonopah and was well known by the old Eureka residents. He is a brother of Mrs. C. F. Wittenberg of this city. The couple had only been married about a year, the ceremony being performed in Wisconsin. Mr. McGarry on his return will be accompanied by the widow.

SHERIFF TURNS NEAT SUM OVER TO CO. TREASURER

COLLECTIONS FOR THE MONTH AGGREGATE OVER NINE THOUSAND DOLLARS.

In Sunday morning's issue of the Bonanza a typographical error occurred whereby the sheriff's office was credited with collecting but \$20.95 for civil fees. This amount should have been \$212.50. Like all mistakes that happen in a printing office, the blame is placed on the linotype operator.

The last month report of the sheriff's office is an exceptionally good one and shows that the entire force was kept busy. The total turned over to the county treasurer for the month aggregated \$9,987.85. Of this \$7,787.85 represented bullion tax collections for February.

MINERS REMAINS BURIED SUNDAY

Headed by the Eagles' drum corps, with muffled drums, the remains of Matt Devine were placed to rest Sunday afternoon in the city cemetery. The funeral services over the body of the unfortunate young miner, were held at Elks hall by the Fraternal Order of Eagles, of which the deceased was a member. After the ritualistic rites had been carried out, the remains were taken to the cemetery escorted by the members of the Eagles and the Tonopah Miners' union. At the grave services were held by both orders. The unfortunate young man was held in high esteem by all of his acquaintances. May his soul rest in peace.

WOMAN CARRIES HER IDENTITY TO THE GRAVE

VICTIM OF WHITE PLAGUE DIES SUNDAY AT COUNTY HOSPITAL.

Unknown and alone, and far from friends and relatives, Mrs. Alice La Roche died at the county hospital Sunday evening from tuberculosis. The woman arrived here only about a week ago from Rhyolite, where she has resided for several years. Of her past it was almost impossible to learn a thing, other than she has two children residing in New York and has a wealthy brother somewhere.

For a year or so the woman belonged to the sporting fraternity at Rhyolite, and on tiring of the life, lived with a miner employed at the Montgomery-Shoshone mine. She was extremely reticent about her past, stating that it was best that her children never know what had become of their mother. She was aged about 36 years. The funeral will take place today and the remains will be interred at the expense of the county.

SUIT AGAINST MONTANA REMOVED FEDERAL COURT

DEFENDANT ASKS CHANGE AS PARTIES TO ISSUE RESIDE IN OTHER STATES.

Yesterday morning, in the district court, the motion to remove the case of R. P. Dunlap versus the Montana Tonopah Mining company, to the federal court, was granted by Judge M. R. Averill. The defendants desired the change on account of the parties to the action being residents and citizens of different states.

The case was filed about a week ago and was brought to recover a sum alleged to be due for salary, while the plaintiff officiated as vice president and director for a number of years.

The federal court is situated at Carson City, and as matters are somewhat slow in this jurisdiction, it will be some time before the case comes up for trial.

VICTIM OF INDIAN'S ANGER BROUGHT HERE

William Baker, who was shot at Spanish Springs a week ago by an Indian named Tank Darrow, was brought to this city Sunday evening in one of the Consolidated auto cars and taken to the county hospital for treatment. Baker's injuries consist of two gunshot wounds, one in the left wrist and the other in the hip. It was impossible to give the injured man the proper medical attention at the roadhouse, and he will be looked after here until he recovers.

SCHOLAR HAD PATRIOTIC SONG BADLY MIXED

DAVE HOLLAND HAS PLAUDITS SUNG BY PRIMARY PUPIL.

The old saying that "necessity is the mother of invention," was exemplified at the Tonopah primary school yesterday by a little colored scholar. Among the exercises of the day is the singing of the patriotic song, "My Own United States," one verse of which is as follows:

"Quaint Holland and the fatherland
Their charms in verse relate
Let me acclaim the land I name
My own United States."

Of late the teacher had noticed that the little colored boy was singing the verse, with more gusto than the remainder of the class and on listening found that he had a version of his own. She called him to the platform yesterday morning and asked him to sing the verse alone. He complied, and the following is his version:

"Dave Holland and his father and
Their charms in verse relate
Let me acclaim the land I name
My own United States."

ATTENTION ELKS.

A full attendance is requested at our regular meeting this evening. Important business and initiation.

H. C. SCHMIDT, E. R. W. J. WILSON, Secretary.
